

## YouthMETRO 2022 Session Support

The METRO Committee has undertaken to assist churches in their investment in training their young people for Gospel ministry through YouthMETRO.

METRO asks that churches contribute a nominal amount of \$250 towards the training of each YouthMETRO trainee serving in their church.

Funds will be used to subsidise the provision of training materials, books, and trainees' attendance at the YouthMETRO Summer Intensive, Engage Leader's Conference and MTS Challenge.

### Suggested Session Minutes Format

The "Church Name" Session supports the application of "Name" as YouthMETRO Trainee and "Name" as his/her Trainer for 2022.

The Session and Board accept the financial contribution of \$250 to METRO to subsidise the provision of training materials, books and the trainees' attendance at camps and events.
