What is METRO?

Ministry - Equipping - Training - Recruitment - Organisation

The METRO Committee, on behalf of the Presbyterian Church of Victoria's (PCV) Assembly, facilitates one-to-one traineeships in partnership with the local church.

The purpose of METRO traineeships is to glorify the one true God who has revealed himself in his Son Jesus Christ by training others to make him known, who then train others to do the same.

The Biblical model of the trainee-trainer relationship forms the basis for all three traineeships, which are designed to encourage both trainee and trainer to be like Jesus, think like Jesus, and serve like Jesus.

What is YouthMETRO?

YouthMETRO is a one-year traineeship focused on preparing and growing youth leaders in local churches. It aims to prepare Trainees to be, think and serve like Jesus, with a specific focus on doing this with and to youth or children.

YouthMETRO traineeships are facilitated by the METRO Committee (METRO) in partnership with Presbyterian Church of Victoria's local churches.

What YouthMETRO involves for a Trainee:

- Regular (weekly or fortnightly) meetings one-to-one with an adult trainer.
- Working through the YouthMETRO Manual and assigned books with their trainer. During the year, topics covered and practical experiences provided will include: evangelism, one-to-one discipleship, short talk preparation, leading a Bible study and sharing your faith.
- A regular supervised leadership role in their church, usually leading at youth group or teaching Sunday school.
- Attending a variety of compulsory events throughout the year (see below).
- Optional: leading on a PYV Camp.

What YouthMETRO involves for a Trainer:

During the year, topics covered and practical experiences provided will include: evangelism, one-to-one discipleship, short talk preparation, leading a Bible study and sharing your faith. Resources and a program are provided (see example below).

Why should my church support a METRO Trainee?

Youth METRO traineeships are a fantastic way to equip and train young people/young adults for ministry to youth in your church. The traineeship doesn't just get people to "do things" but grows people in godliness and equips them for a lifetime of ministry. The traineeship will encourage your congregation as they see young adults active in service and growing in their faith, with more people raised up for Kingdom ministry.

METRO & local church responsibilities

METRO traineeships are a partnership between the METRO Committee and local churches. METRO, on behalf of the PCV Assembly, facilitates the availability of the program by providing the process of coming into the program, the framework & training materials. METRO are responsible for the safety of trainees under 18 years of age at Graduation, Orientation, YouthMETRO Summer Intensive and MTS Challenge. Local church Sessions are responsible for the trainer, the trainee, child safe practices of the trainee/trainer, their ministries, one-to-one meetings, and other activities within their church. METRO cannot be responsible for the ministries that occur within the local church context, including one-to-one meetings.

METRO are responsible for the safety of Trainees under 18 at:

- Orientation
- Graduation
- YouthMETRO Summer Intensive
- MTS Challenge

The local church Session is aware of and will comply with:

- The requirements for a YouthMETRO Trainee.
- The PCV's "Safe Church" Policy, Procedures and Program and "Working with Children Check" requirements, including but not limited to, as the YouthMETRO Trainee works with children under 18.
- The responsibilities of the Session as outlined above.

Financial Contribution from the local church

- \$250 contribution per trainee to go towards costs of training material and events

Safe Church Requirements

As with all organisations that work with children, METRO is mandated to adhere to the Victorian Child Safe Standards. We are eager to do this, knowing that Jesus himself recognised the vulnerability of children, and their value before God.

As METRO is a ministry of the Presbyterian Church of Victoria (PCV) we adhere to the PCV Safe Church Policy and Code of Conduct. We report to and receive guidance from the PCV [Safe Church Unit](#) (contactable by email or phone: 0499 090 449). METRO adheres to the [Safe Church Policy, Procedure and Practice Manual](#).

In addition to the PCV Safe Church requirements, METRO trainers and trainees are also required to read and follow the [METRO Child Safety Manual](#).

To be eligible for a traineeship, all trainees and trainers (regardless of age) are required to complete the following prior to acceptance into the traineeship:

- Hold a current volunteer or employee Working With Children Check, registered with the PCV and the local church (unless you have a VIT registration). [Apply for a card here](#).
- Complete the Safe Church Volunteer Approval Process via the Safe Church Representative in their church.
 - Complete the forms “Initial Registration with the SCU Form” and “Children’s Ministry Role Description for Volunteer Approval Process”
 - Send the completed forms to your local Safe Church Representative.
 - If you are unsure if you have an approved VAP, contact METRO or your church Safe Church Rep.

Due to their leadership position within the church, it is required that all METRO trainees and trainers (regardless of age) complete the PCV Safe Church Basic Training.

The following requirements must also be completed in the required time:

- Complete [Safe Church Basic Training](#) as soon as possible (unless they have already completed Basic Training prior to applying).
 - A training session will be provided on the morning of Orientation day.
 - Trainees aged 16-17 will be required to complete Safe Church Basic Training with parental permission, due to the sensitive nature of the content. This permission will be given in the Parental Consent Form.
- Complete the online Safe Church Refresher Training yearly.

- Once accepted, all trainees and trainers must read and be familiar with the Safe Church Policy, Procedure and Practice Manual as well as the METRO Child Safety Manual.

When an applicant is accepted into the traineeship, they'll also receive a Traineeship Manual which emphasises wise practices when the trainee & trainer are meeting one-to-one.

Under 18 Year Old Trainees

There are a number of pertinent areas of safe church which will have an impact on younger trainees which they, their trainees and their churches need to be aware of. (More details provided in the [METRO Child Safety Manual](#))

- If under 18 years of age, a trainee must not be left alone in the company of an adult (including their trainer) unless in a public place.
- Communication with the trainee should be CC'd through their parents or guardians.
- Trainees 17 years and younger must not be left as the sole minder of children, as by definition, they themselves are "children"
